EDUCATION

2024 - Present

PAAVAI ENGINEERING COLLEGE

- Bachelor of Technology in Information Technology
- CGPA : 7.4/10

2023-2024

JAIRAM PUBLIC SCHOOL

- Higher Secondary Certificate (HSC)
- Percentage: 74%

2021-2022

JAIRAM PUBLIC SCHOOL

- Secondary School Leaving Certificate (SSLC)
- Percentage: 76%

SKILLS

- Python Programming
- Problem Solving
- Data Handling & Analysis
- Data Visualization (Power BI, Excel)
- Basic SQL / MySQL
- Algorithmic Thinking
- Analytical Thinking
- Technical Learning

PROFILE SUMMARY

Engineering student with hands-on internship experience in Python programming and data analysis, familiar with building practical programs, applying problem-solving techniques, and understanding real-world software development practices

WORK EXPERIENCE

FocusR Technologies Jan 06-Jan30 2026

Python Developer Intern (on-site)

- Gained hands-on experience in Python programming by working on practical exercises involving control structures, functions, file handling, and basic data analysis.
- Applied problem-solving techniques to write efficient Python programs and understand real-world application development practices.

CERTIFICATIONS

- Power BI for Beginners(Certification)**
Microsoft
August 17, 2025 - September 15, 2025
- Introduction to Responsible AI (Certification)**
Google Cloud
August 01, 2025 - August 13, 2025
- Data Analysis (Certification)**
HP LIFE (Data Visualization)
July 17, 2025
- AI for Beginners (Certification)**
HP LIFE (AI Concepts)
July 05, 2025
